NORTHERN VIRGINIA COMMUNITY COLLEGE

FOREWORD

The Office of Institutional Research is pleased to present the fifteenth edition of the Northern Virginia Community College Fact Book. This edition of the Fact Book is designed to serve as a readily available source of information about the College. As in the past, all the information from the previous editions is updated, following a similar format, in order to allow users to make valid comparisons based on longitudinal data.

The NVCC Fact Book contains chapters on the College's student enrollments, graduates, personnel, finances and facilities, and support services. Chapters 7 to 11 of the Fact Book present the data for each of the five campuses separately.

Data and information were also included from several College services, such as the Budget Office, Office of Facilities Planning and Support Services, Media Processing, and Student Benefits and Support Services. The cover was designed by the Office of Public Information and Publications (Graphics). We thank the above mentioned units of the College for their continued cooperation and assistance.

The Northern Virginia Community College Fact Book is a product of the team efforts of the OIR staff members Margret Chang, Johan Dennett, Linda Hoffman, Nayantara Mehta and Alice Memminger.

The Office of Institutional Research would appreciate your comments about the NVCC Fact Book and suggestions for future issues. E-mail your comments and suggestions to ggabriel@nvcc.edu or call the office at (703) 323-3129. We welcome your input. The Fact Book is updated annually and can be found on our homepage at www.nvcc.edu/oir.

IV. Results of NVCC Graduate Survey

Beginning with 1998, the College surveys its graduates biennially. The survey seeks information on the graduates' current education and employment. It also gives the graduates an opportunity to rate their educational experiences at NVCC in terms of instruction, faculty, services, and facilities.

See Table 2.7 for the number of survey responses (1995-2000), the graduates' education and employment status, and their median salary information. A full report on graduate survey results is published biennially by OIR.

* Includes 9 month faculty "acting" for 12 month faculty on leave. Please note, personnel on leave are no longer flagged on the Personnel Master File. When a 12 month administrative faculty member goes on leave and a 9 month faculty member assumes his/her position both are counted as 12 month administrative faculty for the leave period. This fact is important for trend analysis.
